## AP TRACTOR PLANE

### Technical specifications

Type	Blade width mm	Blade height mm	Drawbar ad- justment	Blade adjust- ment	Slope adjust- ment
TS 2000	2000	650	30° L & R	30° L & R	20° L & R
TS 2250	2250	650	30° L & R	30° L & R	20° L & R
TS 2500	2500	650	30° L & R	30° L & R	20° L & R
TS 2750	2750	650	30° L & R	30° L & R	20° L & R
TS 3000	3000	650	30° L & R	30° L & R	20° L & R

### Standard equipment AP tractor plane:

- Disassembling Hardox knife
- Electric hydraulic control
- Mechanically adjustable impellers
- Hydraulic slope adjustment
- Hydraulic grade adjustment
- Hydraulic drawbar adjustment

### Extra's:

- Set of sides
- Set of broadening parts
- Hydraulic top link
- Hydraulically adjustable impellers (for laser control)
- Proportional control
- Laser control
- Ripper with special 3-point linkage
